

Mast Members "Day Out"

Wednesday 20th July 2022

We are planning to arrange a day out for Mast Members, visiting 2 venues.

Firstly a visit to "The Military Intelligence Museum" based at Chicksands near Biggleswade.

We will get a guided tour for our group.

It is based at a working Military site, and will be shown all aspects of Military Intelligence from Crimea War onwards.

This visit will last upwards of 2 hours.

We then make our way to

"The Shuttleworth Collection" at Old Warden Aerodrome Near Biggleswade.

Admission gives you access to explore the world famous collection of Aeroplanes, cars, motorcycles, bicycles and vintage buses, together with the Swiss Gardens and Lakeside Gardens. They also have a decent cafe.

As the 2 venues are in easy driving distance and are close to each other, I am suggesting we car share/drive ourselves.

Anyone willing to drive, and those requiring a lift please let us know.

Details of both venues can be found at....

www.militaryintelligencemuseum.org

www.shuttleworth.org

Entry is free for the museum, but a suggested "donation" should not exceed £3 per person.

There is a group discount rate at Shuttleworth, subject to at least 15 in the group, of £15 per person.

Both venues have to be pre booked and paid for in advance.

Those members wanting a great day out with "the boys" please let Paul know on....

01525 210834 ..

www.info@bedfordshirebasketmakers.co.uk

or Ian on

01525 210789,,

www.cotterellh@googlemail.com

So put that date in your diary now.

Once booked I will contact everyone with full details of the day.

The very latest I need numbers for booking purposes is end of June.

IT SHOULD BE A GREAT DAY OUT
